Whereas, Plaintiff Immersion Corporation ("Immersion") filed this action on September 24, 2004 alleging that Defendant Electro Source LLC ("Electro Source") infringes U.S. Patent No. 6,275,213 ("213 patent") and U.S. Patent No. 6,424,333 ("333 patent") (together the "Asserted Immersion Patents");

Whereas, on October 14, 2004, Electro Source filed counterclaims in the action alleging invalidity, non-infringement, and unenforceability of the '213 and '333 patents.

Whereas Immersion and Electro Source have reached an agreement to settle their differences relating to this action.

Whereas, pursuant to the Settlement Agreement between the parties, Immersion and Electro Source, by and through their respective counsel of record, HEREBY STIPULATE AS FOLLOWS:

1. Immersion's claims against Electro Source in the above-captioned action, including Immersion's Complaint and all of the claims for patent infringement against Electro Source therein, are hereby dismissed with prejudice.

2. Electro Source's counterclaims against Immersion in the above-captioned action, including all of Electro Source's counterclaims seeking a judicial declaration that the '213 patent and '333 patent are not valid, enforceable or infringed, are hereby dismissed with prejudice.

3. Immersion and Electro Source shall bear their own costs and attorneys' fees in connection with the action.
